

CULTIVATING LOCAL AND INDIGENOUS KNOWLEDGE

CO-DISCOVERY OF ENVIRONMENTAL RESILIENCE IN OUR COMMUNITIES

Presenters

Xóchitl Flores Marcial - Zapotec Indigenous knowledge

Matt Teutimez and Steve Appleton - Kizh LEK and the L.A. River

Terry McGlynn on the CSU Desert Studies Center

Facilitators: Lisa Chaudhari and Natale Zappia

Goals of initiative:

- Build a critical mass of diverse stakeholders invested in resilience in our communities
- Co-develop opportunities to support existing and new projects

Goals of event:

- Bring together people across the CSUs
- Identify what we are already doing
- Explore how we contribute to or support local ecological knowledge initiatives
