Fourth Annual Pitch Fest!

*This year's Pitch Fest
takes place in Founders
Hall 118, located on the
left end of the
building's main floor*

Designed and co-led by Founders Mark, Pitch Fest brings together Humboldt College Corps Fellows and their supervisors to develop projects that address existing needs at their community-based service sites. The event highlights Fellows' innovation and their ability to apply skills developed over the academic year.

Pitch Fest reflects Humboldt College Corps' mission to prepare Fellows with practical, job-ready experience. Under the mentorship of site supervisors, Fellows engage in project development, presentation, and implementation. The event also underscores the close partnership between Humboldt College Corps and our Service Partners, whose work helps cultivate the next generation of leaders.
