

GRC Summer 2018 Webinar Series

These FREE webinars offered by the Grants Resource Center (GRC) will provide professional instruction covering a number of important topics ranging from identifying proposal processes of federal and nonfederal funders, case study presentations, and more!

...

These webinars are open to everyone, including members of the HSU research community who are new P.I.'s, faculty who plan to become P.I.'s, or experienced P.I.'s, interested in a refresher.

Please drop in...
