Please join Sponsored Programs Foundation in welcoming Dr. David Still, Executive Director of the CSU Agricultural Research Institute (ARI), during his visit to Humboldt.

This informal gathering provides an opportunity to meet Dr. Still, learn more about ARI's support for agricultural research and innovation across the CSU system, and connect with colleagues. Light refreshments and drinks will be provided. We look forward to seeing you there!

Please RSVP via our Google form link. While an RSVP is not required to attend, responses will help us ensure there is enough food.
