

# Art in Service

Cal Poly Humboldt's  
College of Arts, Humanities, & Social Sciences  
presents

## Dinner & Discussion

Join our panelists for food,  
community, and conversation.

How can the arts help to bridge the gap between  
military and civilian life?  
How can the arts help civilians to better  
understand veterans' experience?  
What responsibility do civilians have to support  
veterans in their transition back to civilian life?

## What's Art Got To Do With It?
