Are you passionate about making a real impact at Cal Poly Humboldt? **The Sponsored Programs Foundation (SPF) Board of Directors** is looking for a dedicated student representative to bring the student perspective to important decisions that shape campus research and special programs. The SPF Board meets quarterly (Sept, Dec, Mar, May), and governs the university's non-profit corporation that supports and manages sponsored research, creative projects, and other campus initiatives.

As a student board member, you'll:

- Gain **leadership and governance experience** working alongside faculty and administrators.
- Learn how **university research and funding programs** operate behind the scenes.
- Help **amplify student voices** in shaping Humboldt's research culture and opportunities.
- Strengthen your **professional network** and resume with meaningful, real-world experience.

If you're ready to make a difference and learn a lot along the way, we'd love for you to apply!
