**PROFESSOR AND ASSOCIATE  
DEAN OF THE COLLEGE OF  
INTERACTIVE SCIENCES AND ARTS,  
ARIZONA STATE UNIVERSITY**

This interactive webinar gives participants a hands-on experience with labor-based grading contracts, which can be used in a wide range of courses across all disciplines. Participants of the workshop will get a number of resources:

- a sample labor-based grading contract
- sample labor log for students
- a handout with other electronic resources for teachers who wish to explore this practice in their own classrooms.
