

Biology Seminar

Biology Graduate Student Association and
Department of Biological Sciences

Dr. Misty Paig-Tran

CSU Fullerton

FRIDAY, October 18

@ 12 PM

SCI B 135

**How a bus-sized fish feeding on tiny tic-tacs can
improve your life**

Biological Sciences Seminar Series venue is wheelchair-accessible. Persons who wish to request disability-related accommodations, including sign-language interpreters, should contact the Department of Biological Sciences, c/o mtr57@humboldt.edu. Please request accommodations at least two days prior to the event. Some attendees may be sensitive to various scents from perfumes, shampoos, soaps, etc. Although optional, please consider refraining from wearing scented products to this event.
