Speaker #2  
of 3 part  
series

Dr. Geneva Craig, most commonly known as Dr.G, is a Civil Rights Activist from her participation in the 1960's era of The Civil Rights Movement, in Selma, Alabama, her birthplace. Throughout her life she has volunteered with non-profit agencies and has served as a member on several boards. She has been recognized by community organizations and city agencies as a leader and advocate to improve the population's overall health and well-being.
