### ***CSU Education, Health & Human Services, and Social Sciences Community***

Hosted by Leslie Ponciano, Director of Research Opportunities

Department of Research, Chancellor's Office

This is a new effort intended to build an interdisciplinary research community for CSU faculty and administrators in Education, Health & Human Services, and Social Sciences across all 23 campuses. Join us for a 3-hour live webcast to ***build awareness of research activity across the CSU and share best practices and innovative ideas***. Your registration information will be entered into a listserv for communication about future opportunities to ***develop collaborative research teams (interdisciplinary and multi-campus), pursue external funding, and develop state-wide projects that address California's social and educational issues***.
