

Provost and Vice President for Academic Affairs

ADMINISTRATIVE MEMORANDUM VPAA 23-02

March 3, 2023

SUBJECT: Department Name Change to School of Engineering

DISTRIBUTION: All Faculty, Staff, and Administrative Offices

To better capture the breadth and structure of the new engineering programs associated with the polytechnic transition and new programs within the Department of Environmental Resources Engineering, approval has been granted to officially change the name of the Department of Environmental Resources Engineering to the School of Engineering, effective March 1, 2023.

The degree programs housed within the newly named School are as follows: B.S. in Environmental Resources Engineering; and starting in fall 2023, B.S. in Mechanical Engineering and B.S. in Energy Systems Engineering.
