

OCT. 7!

CSU-WATER Interdisciplinary Mixer

with Dr. Steve Blumenshine

**WHEN:**

Wed. October 7
5:30–7:30pm

**WHERE:**

The Barrel Room
935 I Street
Arcata

[RSVP via this

Join the Office of Research & Sponsored Programs Foundation for an informal mixer with Dr. Steve Blumenshine, Executive Director of CSU-WATER.

CSU-WATER is seeking ideas and input to advance work related to water policy, climate impacts, and water workforce needs. Because these issues extend well beyond the natural sciences, faculty and staff from all colleges are encouraged to attend.

Meet Dr. Blumenshine, learn more about CSU-WATER, and explore how your interests and expertise might connect with its work.

For questions, contact Erika Wright at Erika.Wright@humboldt.edu.
