

Cal Poly Humboldt Presents

Faculty & Staff Green Lunchtime

Wednesday, March 22, 2023

12:00 - 1:00 pm

Please bring your lunch to the Great Hall
and join us!

One way to help faculty and staff move toward sustainability is to provide opportunities for them to step outside the boundaries of their disciplines and departments, talk to each other, share ideas and insights, and see themselves as essential participants in a shared vision.

You are invited to discuss campus build-out and carbon neutrality with Michael Fisher, Associate Vice President of Facilities.
