& Sponsored Programs

**FEB. 24!**

# LET'S TALK ABOUT FEDERAL GRANTS

## SPF OPEN FORUM

**WHEN:** FEB 24  
5-6 PM

**WHERE:**  
LIB 209

[Register via this  
Google Form](#)

Join Sponsored Programs Foundation for a discussion on the current grant landscape, recent changes to the application and contracting processes, and higher-level trends impacting sponsored research. We'll also cover how to navigate potential cancellations, available mechanisms for appeal, and system-wide support resources.

Attendees will have the opportunity to ask questions and share concerns. All Cal Poly Humboldt faculty and staff are welcome. A calendar invite will be sent following registration. This event is fully in-person.
